

# PAPEL MANILA CREMA 2ª

## FICHA TÉCNICA: MAFOKRAFT MINCE

**MG unbleached 100% recycled kraft paper**

**WS paper on demand**

Code 3310

### Main advantages Main applications

100% recycled paper according to Circular model	Multi-pack outer wrapping
High strength	PE laminating
Paper suited to dry, wet and fatty food contact	Paper bags
Food contact certification in progress	Overwrap
	Masking (WS option)

### Paper main average specifications

Substance	18 à 50 gsm +/- 4%
Machine Width	2.15 m
Minimum reel width	27 cm
Standard reel diameter	75 à 120 cm
Standard core diameter	70 ou 76 mm

Grammage g/m <sup>2</sup>		22	32	40	49
Burst	Kpa	70	110	135	165
Tensile strength MD	km	3.2	3.6	4.0	4.0
Tensile strength CD	km	2.5	2.5	2.8	2.8
Tear resistance MD	mN	600	610	630	650
Tear resistance CD	mN	800	815	820	850
Cobb	g/m <sup>2</sup>	20	20	22	22
Moisture	%	6.5	6.5	6.5	6.5

- Maximum number of joint in a reel = 2. Marked by a colored line on the reel's head
- Cores secured by a plug
- Each reel is wrapped with PE layers
- Standard label on the running surface with reel ID, grade, grammage and weight. Additional information on demand
- 3 colors available
  - MD dark kraft
  - RD red kraft
  - YW yellow kraft
